

## PRELIMINARY LIST OF EXHIBITORS

COMPANY	COUNTRY	PRODUCTS	SECTIONS
<b>A</b>			
<b>Accraply</b>	United States of America	labelling equipment (shrink sleeve, roll-fed, self-adhesive), converting equipment (shrink sleeve, flexible packaging)	plast print pack
<b>Adamitulu Pesticides</b>	Ethiopia	pesticides	agro
<b>adepta - l'Association pour le Développement des Echanges internationaux de Produits et Techniques Agroalimentaires</b>	France	French Association for the Development of International Exchange of Products and Technologies for the Agrofood Industry. Accompanies the international development of equipment manufacturers, suppliers of input, experts and engineering and design departments in the agriculture and agri-food industry	agro food + bev tec food + hospitality
<b>ADEB Engineering and Trading PLC</b>	Ethiopia	Agricultural machineries and implements	agro
<b>African Bakery Dynamics</b>	The Netherlands	distributor of Werner & Pfleiderer, full process bakery technology	food + bev tec
<b>Afriklmpact</b>	Togo	institutional platform for the promotion of commercial, economical and educational exchange between Africa and rest of world	
<b>Allwin Packaging International</b>	Kenya	weighing, packing and labelling machines for the food industry	food + bev tec pack
<b>Alok Masterbatches</b>	India	manufacturer & exporter of calcium carbonate masterbatch, black masterbatch, additive masterbatch, color masterbatch, white masterbatch	plast
<b>AWILA Anlagenbau</b>	Germany	manufacturing and installation of turnkey small and large animal feed facilities. Supply and assembly of individual machine components in the animal feed sector and plastics industries	agro
<b>B</b>			
<b>Bosch Packaging Technology (Robert Bosch)</b>	Germany	supplier of technology and services for industrial technology and consumer goods	food + bev tec pack
<b>BURAYU Packaging &amp; Printing</b>	Ethiopia	Corrugated Carton Boxes, Duplex Packets, Paper cone, Paper tube, Cale trays + egg trays	pack
<b>C</b>			
<b>Chemtex</b>	Ethiopia	fertilizers, agro chemicals	agro
<b>Ching HWA</b>	Taiwan	Pioneer Magazine	
<b>Classic Packaging</b>	Ethiopia	Different types of Packaging Plastic Sample	pack

## PRELIMINARY LIST OF EXHIBITORS

D			
<b>Decopack</b>	France		food + bev tec
<b>Diosna</b>	Germany	predough system, starter cultures, mixers & mixing systems for dough production	food + bev tec
<b>Dura Impex</b>	India	plastic processing machineries, raw materials	plast
E			
<b>Electromecce Engineering</b>	Ethiopia	mixer, miller, chopper, maize thresher, groundnut decorator	agro
G			
<b>Gabbar Engineering</b>	India	PP bag making sewing machines	pack
<b>GIZ-Gesellschaft für internationale Zusammenarbeit</b>	Ethiopia	"green innovation project" for the agriculture	agro
<b>Goma Process Technologies</b>	India	manufacturer of equipments like homogeniser, pasteuriser, crate washers, cup filling & sealing machine (rotary & linear), centrifugal pump, continuous freezers, storage tank / silos etc., also executed turnkey projects for dairy, ice-cream, yoghurt, fruit juice, pulp, tomato ketchup, coconutmilk	food + bev tec food + hospitality
<b>Grimme</b>	Germany	soil cultivation, seeding and crop care equipment / agricultural machinery	agro
<b>Güntner</b>	Germany	heat exchanger, condenser, air cooler, dry cooler	food + bev tec
H			
<b>HITEC Trading</b>	Ethiopia	flexible printed laminate packing material for biscuit, pasta, macaroni, tea, roasted coffee, raw coffee, soap and detergent	pack food + bev tec
<b>Hozelock-Exel</b>	France	spraying technology equipment	agro
<b>HTG Industry</b>	France	blowing and filling machines for PET plastic bottles; complete PET packaging solutions	food + bev tec pack
I			
<b>Ishida Europe</b>	United Kingdom	multihead weighers, bagmakers and checkweigher for the food industry	food + bev tec pack
K			
<b>Kautex Maschinenbau</b>	Germany	samples of blow molded articles	plast
<b>Kodanmal</b>	Thailand	canned foods, canned fruit, fruit drink, fruit juice, Thai sauce, noodle, rice	food + hospitality
<b>Krungsiam Beverage</b>	Thailand	Energy drinks, Fruit Juice, Fruit juice with nata de coco, Coconut water	food + hospitality
L			
<b>Lame Dairy</b>	Ethiopia	dairy products, pasteurized milk, butter, cheese, yogurt etc.	food + hospitality
<b>Lemken</b>	Germany	soil cultivation, seeding and crop care equipment / agricultural machinery	agro
<b>Lohia</b>	India	tape extrusion lines, tape winders, circular looms, extrusion coating lines, bag conversion lines, printing machines, PP yarn spinning lines	plast print pack

## PRELIMINARY LIST OF EXHIBITORS

<b>M</b>			
<b>Manaksia Industries</b>	India	aluminum ropp closures, crown closures, closures for carbonated soft drinks and water, alluminium semi rigid foil containers	plast pack
<b>Markos</b>	Ethiopia	vegetable seeds, animal drugs & feed supliments agro-chemicals	agro
<b>Masters Preci Tools</b>	India	Online/ offline socketing machines, collapsible mandrels, jigs and fixtures, special purpose machines for PVC and die and moulds for PVC fittings	plast
<b>N</b>			
<b>National Trading Development Est. Dubai</b>	United Arab Emirates	Energy Drinks, Soft Drinks, Vitamin C, Food hospitality, Food products	food + bev tec food hospitality
<b>Noviy Vek</b>	Ukraine	manufacturer and supplier of packaging and processing equipment to the food industrie in the CIS countries and Africa	food + bev tec pack
<b>NTD</b>	France	livestock buildings	agro
<b>Nutristar</b>	France	CCPA Group; animal nutrition, premixes and feed additives, prestarter feed, concentrates and liquid nutritional specialties	agro
<b>O</b>			
<b>OSF</b>	France	flavors for food and beverages industry	food + bev tec
<b>Otech</b>	France	designing and manufacturing of irrigation systems	food + bev tec
<b>P</b>			
<b>Pöttinger Landtechnik</b>	Austria	grassland and soil cultivation: The comprehensive range features hay making machines (mowers, tedders, windrowers), self-loading harvest and silage wagons plus soil cultivation equipment (ploughs, power harrows, stubble cultivators and seed drills).	agro
<b>R</b>			
<b>RAUCH Landmaschinenfabrik</b>	Germany	soil cultivation, seeding and crop care equipment / agricultural machinery	agro
<b>S</b>			
<b>SBG Industry</b>	Ethiopia	natural mineral water	food + bev tec
<b>Serac</b>	France	innovative packing solutions for dairy products, primarily in bottle and pre-formed cup. Milk, drinking yogurt, probiotics, creams, desserts, spreadable cheese,...	food + bev tec pack
<b>Serap</b>	France	milk coolers, wine processing, industrial processing, customer service	food + bev tec
